Showing the Photo Array

Witness Name: [REDACTED]	Witness Address: [REDACTED]	Witness DOB: [REDACTED]
-----------------------------	--------------------------------	----------------------------

Instructions to the Blind Administrator Showing the Photo Array:

- As a blind administrator, you must not know which person in the array is the suspect, or you must not know where the suspect is in the photo array.
- Remain neutral. Do not comment on the identification before, during or after the identification procedure.
- Provide the photo array in an envelope or folder when handing it to the witness.
- Stand out of the witness' line of sight, where practical, but still observe the witness as the witness views the photo array.
- So as not to distract the witness, do not comment during the identification procedure.

DEPONENT'S ADDRESS AND PHONE NUMBER

DEPONENT DEPOSES AND SAYS:

On 2/28/19, I was contacted by SA Patrick Hoffman, ATF, and asked to assist with an ongoing investigation by showing photo arrays to two different individuals. I was requested to be the "double blind" administrator of the arrays because I have no knowledge of the case or any suspects. I also had no involvement in creating any arrays. I met with SA Hoffman and he provided me with seven separate manila folders, each containing a unique array and the associated paperwork. I was also provided with three individual photos, each of a different male.

response on the back of each corresponding photo, along with the date and time, and he both signed the back of the photo. For the third photo, I simply recorded "NO ID" as well as the date/time.

I called AUSA Hartford and SA Hoffman back into the room and advised them of the results before excusing myself from the room.

All originals were left with the AUSA.
